

POHANKA AUTOMOTIVE

YOUR CAR YOUR CAUSE

Pohanka supports our local community by contributing \$100.00 to a local charitable organization with the purchase of a new or used vehicle.

About Us

The contribution is from the Pohanka Family Foundation who has donated to over 100 organizations both on a local and national level.

Our Mission

Our mission is to help improve the lives of those around us by actively donating our time and resources.

Pohanka Automotive Group is a dedicated partner to the communities we serve since our first location opened in downtown Washington, D.C. in 1919. We employ over 1,700 people who live and work in these communities, and for over 100 years, we're proud to pay it forward.

Help us give back to our community!
